WAH YAN COLLEGE ALUMNI EDMONTON CHAPTER

OUR CHAPTER...

- We celebrates **30 plus years** in Edmonton.
- We started with about **15 families** and the level has not changed.
- Most of the members are retired except a few younger ones
- We keep in touch by holding **Thursday evening coffee get-together.**

OUR ACTIVITIES...

Recently we had a dinner with a Wah Yan retiree from Vancouver...

OUR ACTIVITIES...

- We also gathered for a **mass** at the Chinese Catholic Parish **celebrating Fr. Deignan.**
- Our meetings are always filled with memories from our school days and updated by travel experiences and the joys and miseries of grand children.

OUR LIVES...

Some of us **ventured into volunteer work** for various community, church and charitable organizations, including dental mission work in remote locations. We are proud of our members!

A few of us have had health problems but keep going with medical treatments and clean living. Our hearts are full of sweet memories of school, friendship and our home city of Hong Kong.

We remain supporters of the city!
