## OUR FAVOURITE SPORT - SOCCER

- Every year, we have our soccer game in the summer.
- Wah Yan Soccer Team having players from both WYK and WYHK played St. Joseph and LaSalle this year on August 3

## OUR LATEST UPDATE

- We still have our monthly meeting but attendants have not been great.
- For the past 3 years, there have been **no increase in our committee members** and there have been **no younger Wah Yan Alumni joining us lately**.
- Despite all these, the Wah Yan Spirit keeps on going as I can see that everyone in the committee is trying his best to keep the Wah Yan Alumni going.
- It is our Hope that Father Chow and past Wah Yan Principals will do a North America round tour to bring revitalization to our Chapters and lift up our Spirit.
